Welcome!

Do you need further training? Interested in taking some classes? Opportunities, incentives and support are all available in Durham Region. This document contains contact information and a short description of education, training and other services available for the organizations listed in the chart below. These agencies are all members of the Durham Region Employment Network (DREN).

About The Durham Region Employment Network:

Established in April 1993 and incorporated as a non-profit organization in January 2001, DREN was developed in response to the need for a single, coordinated effort to unite and share information on the vast array of programs and services available in our community. DREN coordinates a network of approximately 65 organizations all with the common interest of employment for people with barriers. Member organizations represent the employment sector, education and training sector and community support sector in Durham Region.
